Experience

Freelance Graphic Designer/Illustrator

Self-employed

August 2022 - Present

- Discussing client needs through 1:1 meetings to ensure outcome is satisfactory
- Developing brand/logo designs to implement onto packaging mockups and/or advertisements
- Prepared style guides to showcase brands

FWS Tutor

University of Advancing Technology

August 2020 - August 2022

- Maintained appointment schedules using shared calendars
- Met students in person, on text chat, on voice chat, or through Teams/Discord (as preferred by the student), to deliver tutoring assistance
- Responded to walk-up requests by providing informal learning support and/or connecting the student with an appropriate resource
- Retrieved, read, edited, commented, and returned documents submitted for review
- Followed up on document review activities by contacting student services and their teachers about the outcomes
- Provided bi-monthly hours log and report to the Student and Career Services Advisor assigned to manage the tutors.

Education

Advertising Art (BA)

University of Advancing Technology

September 2019 - May 2022
